

## Secure, file sharing & storage

Flexible. Available. Protected

### Business needs

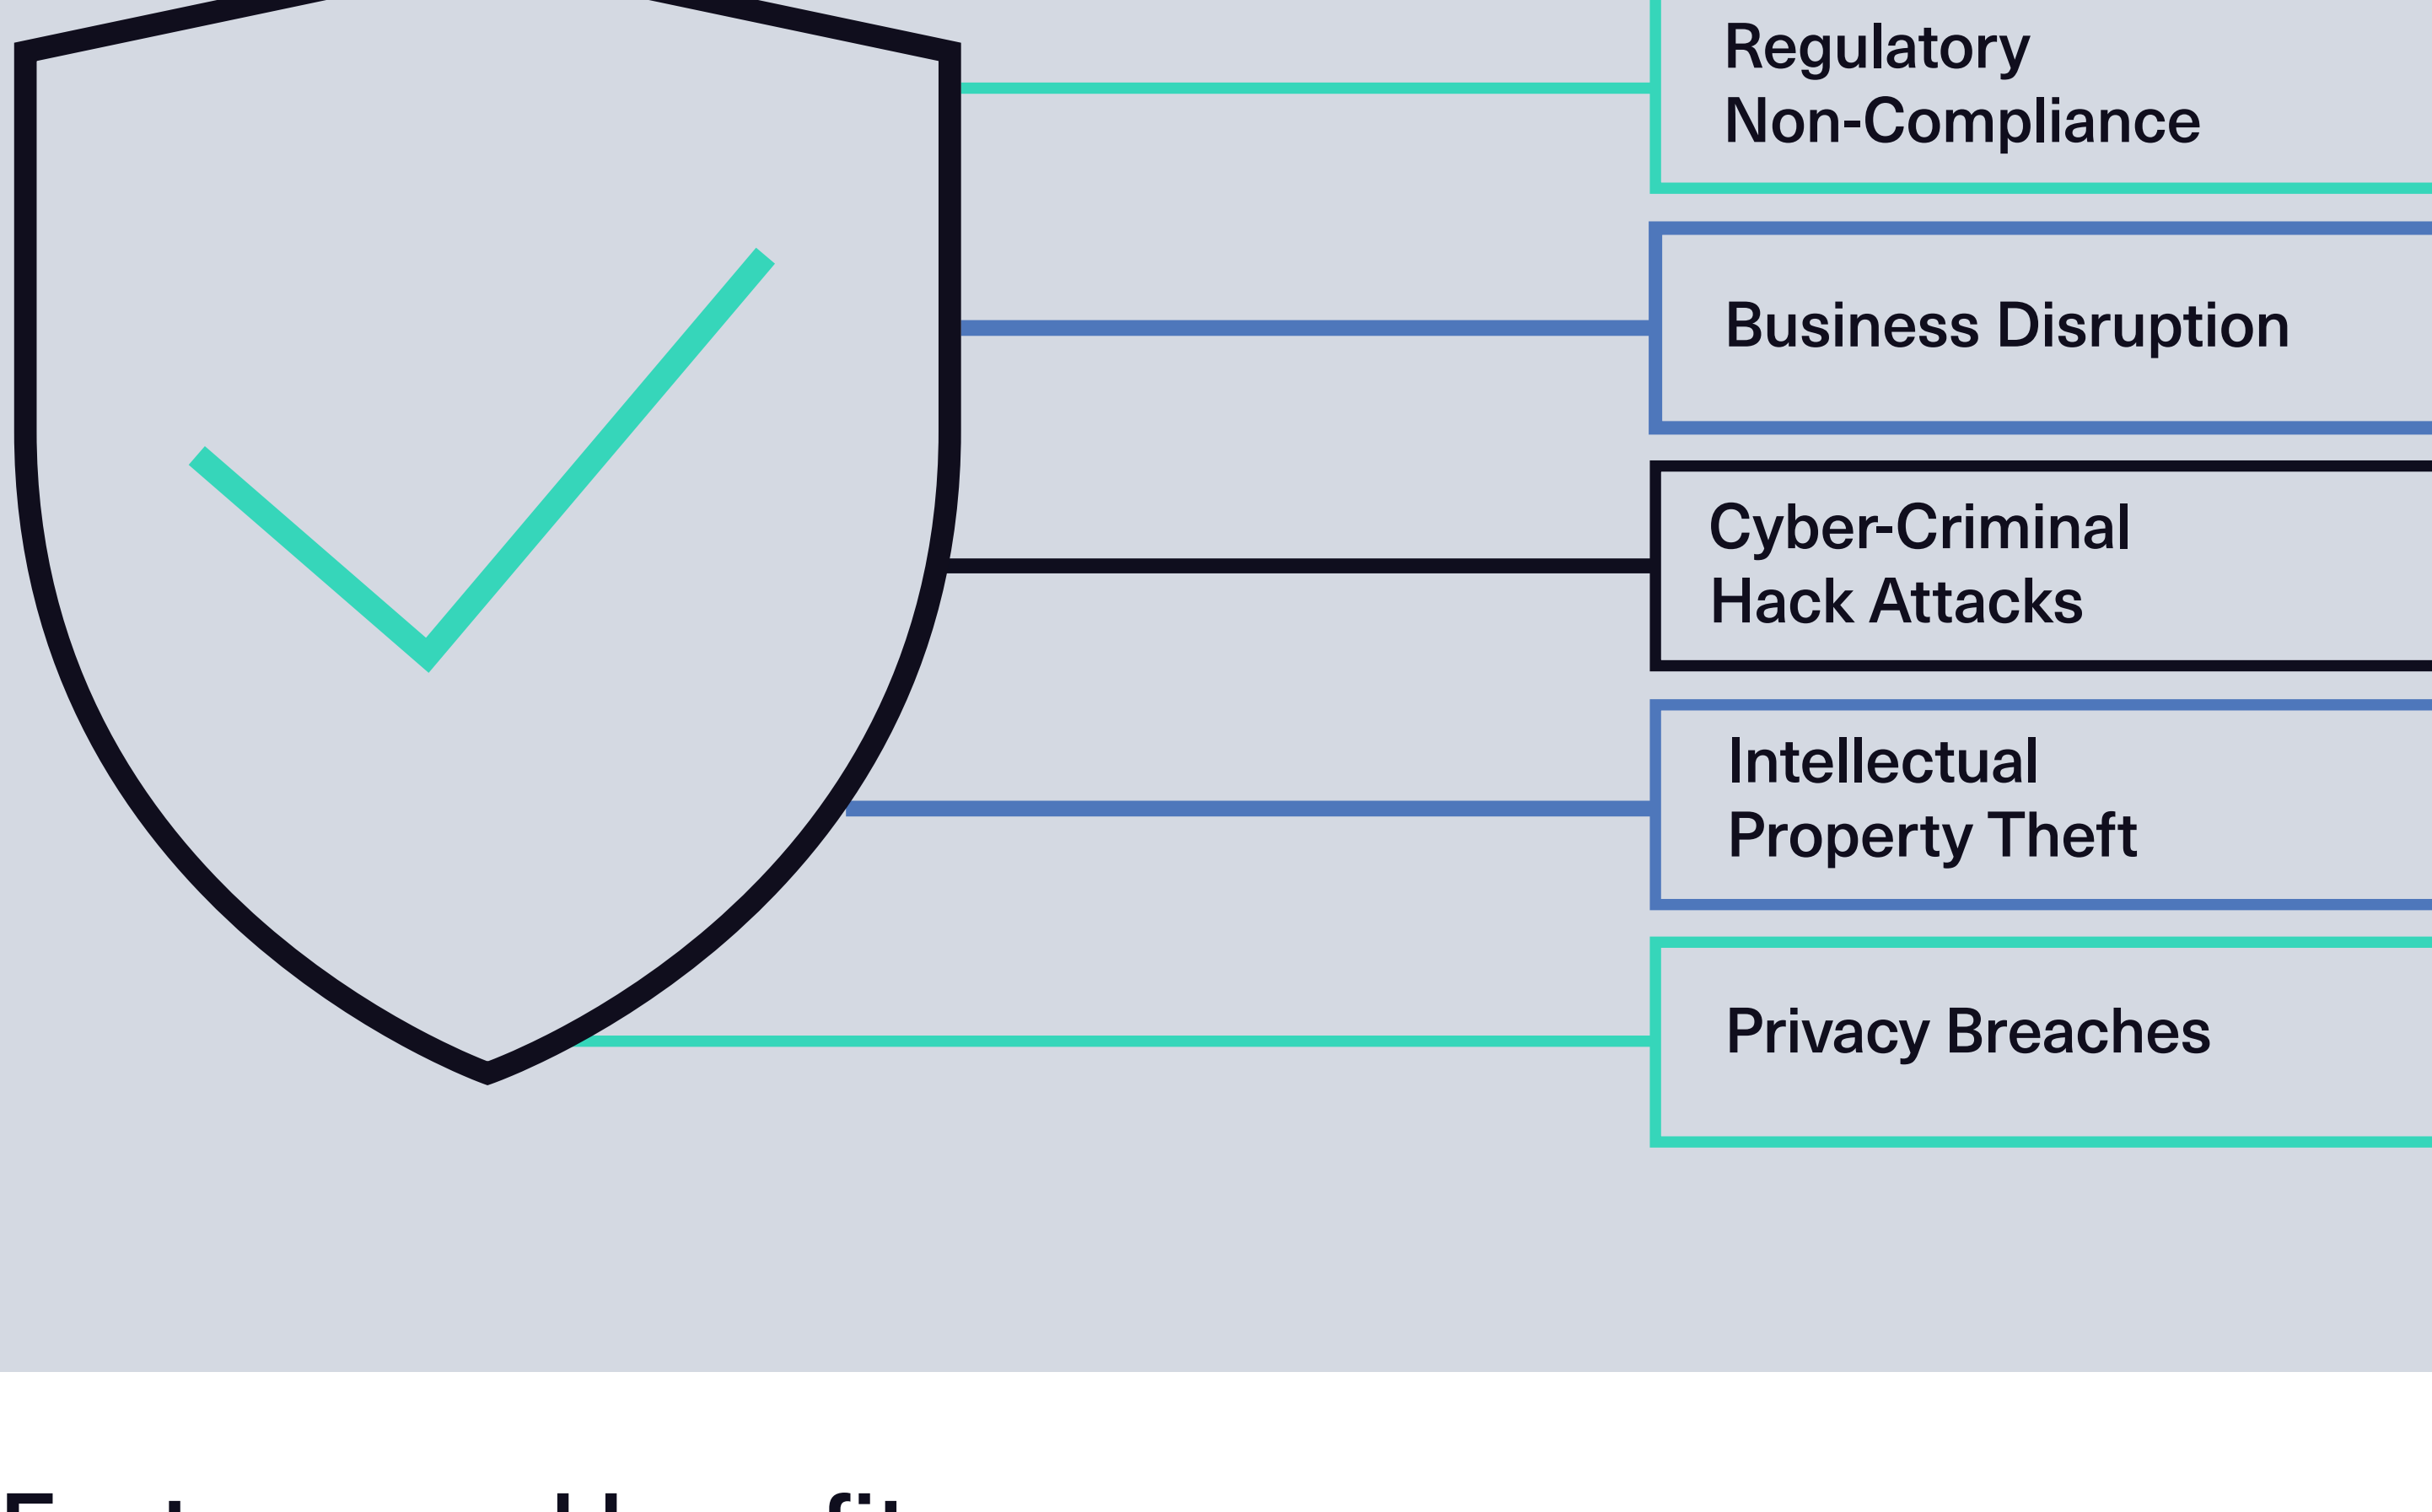

### Overview

Easy to use, featuring seamless integration with Microsoft 365, Azure and Active Directory, SureDrop enables secure collaboration wherever you are.

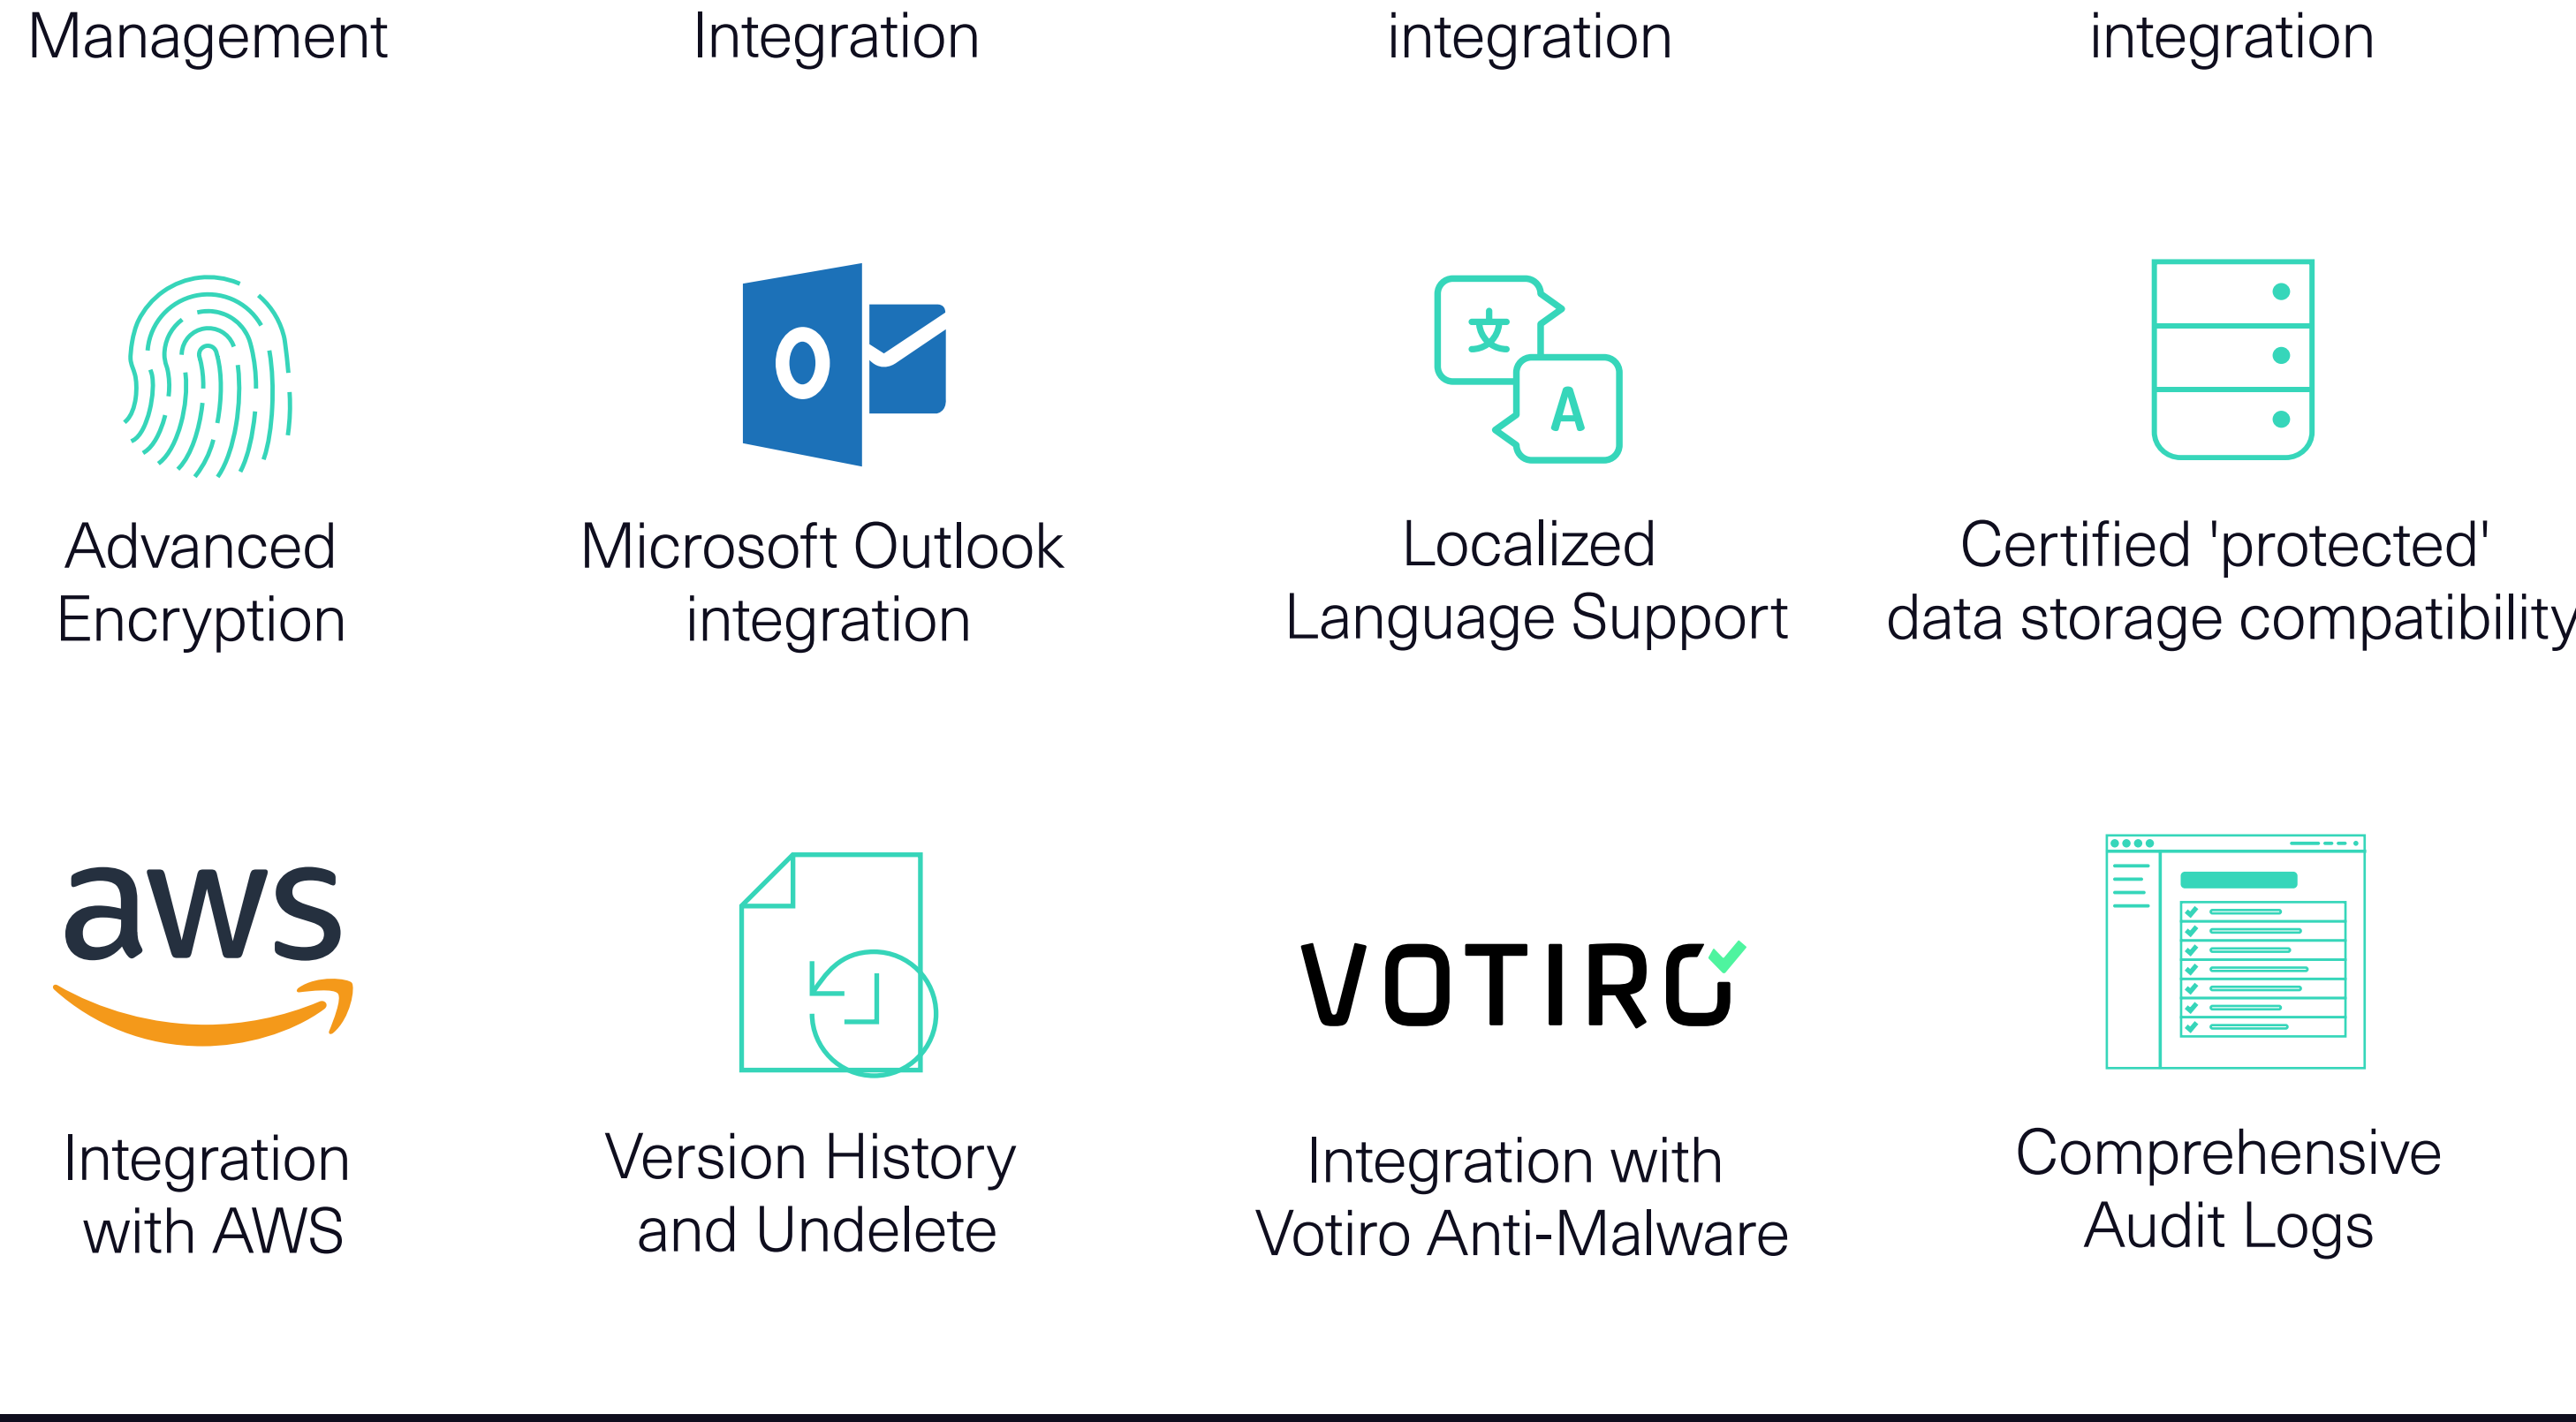

### Suredrop protects against...

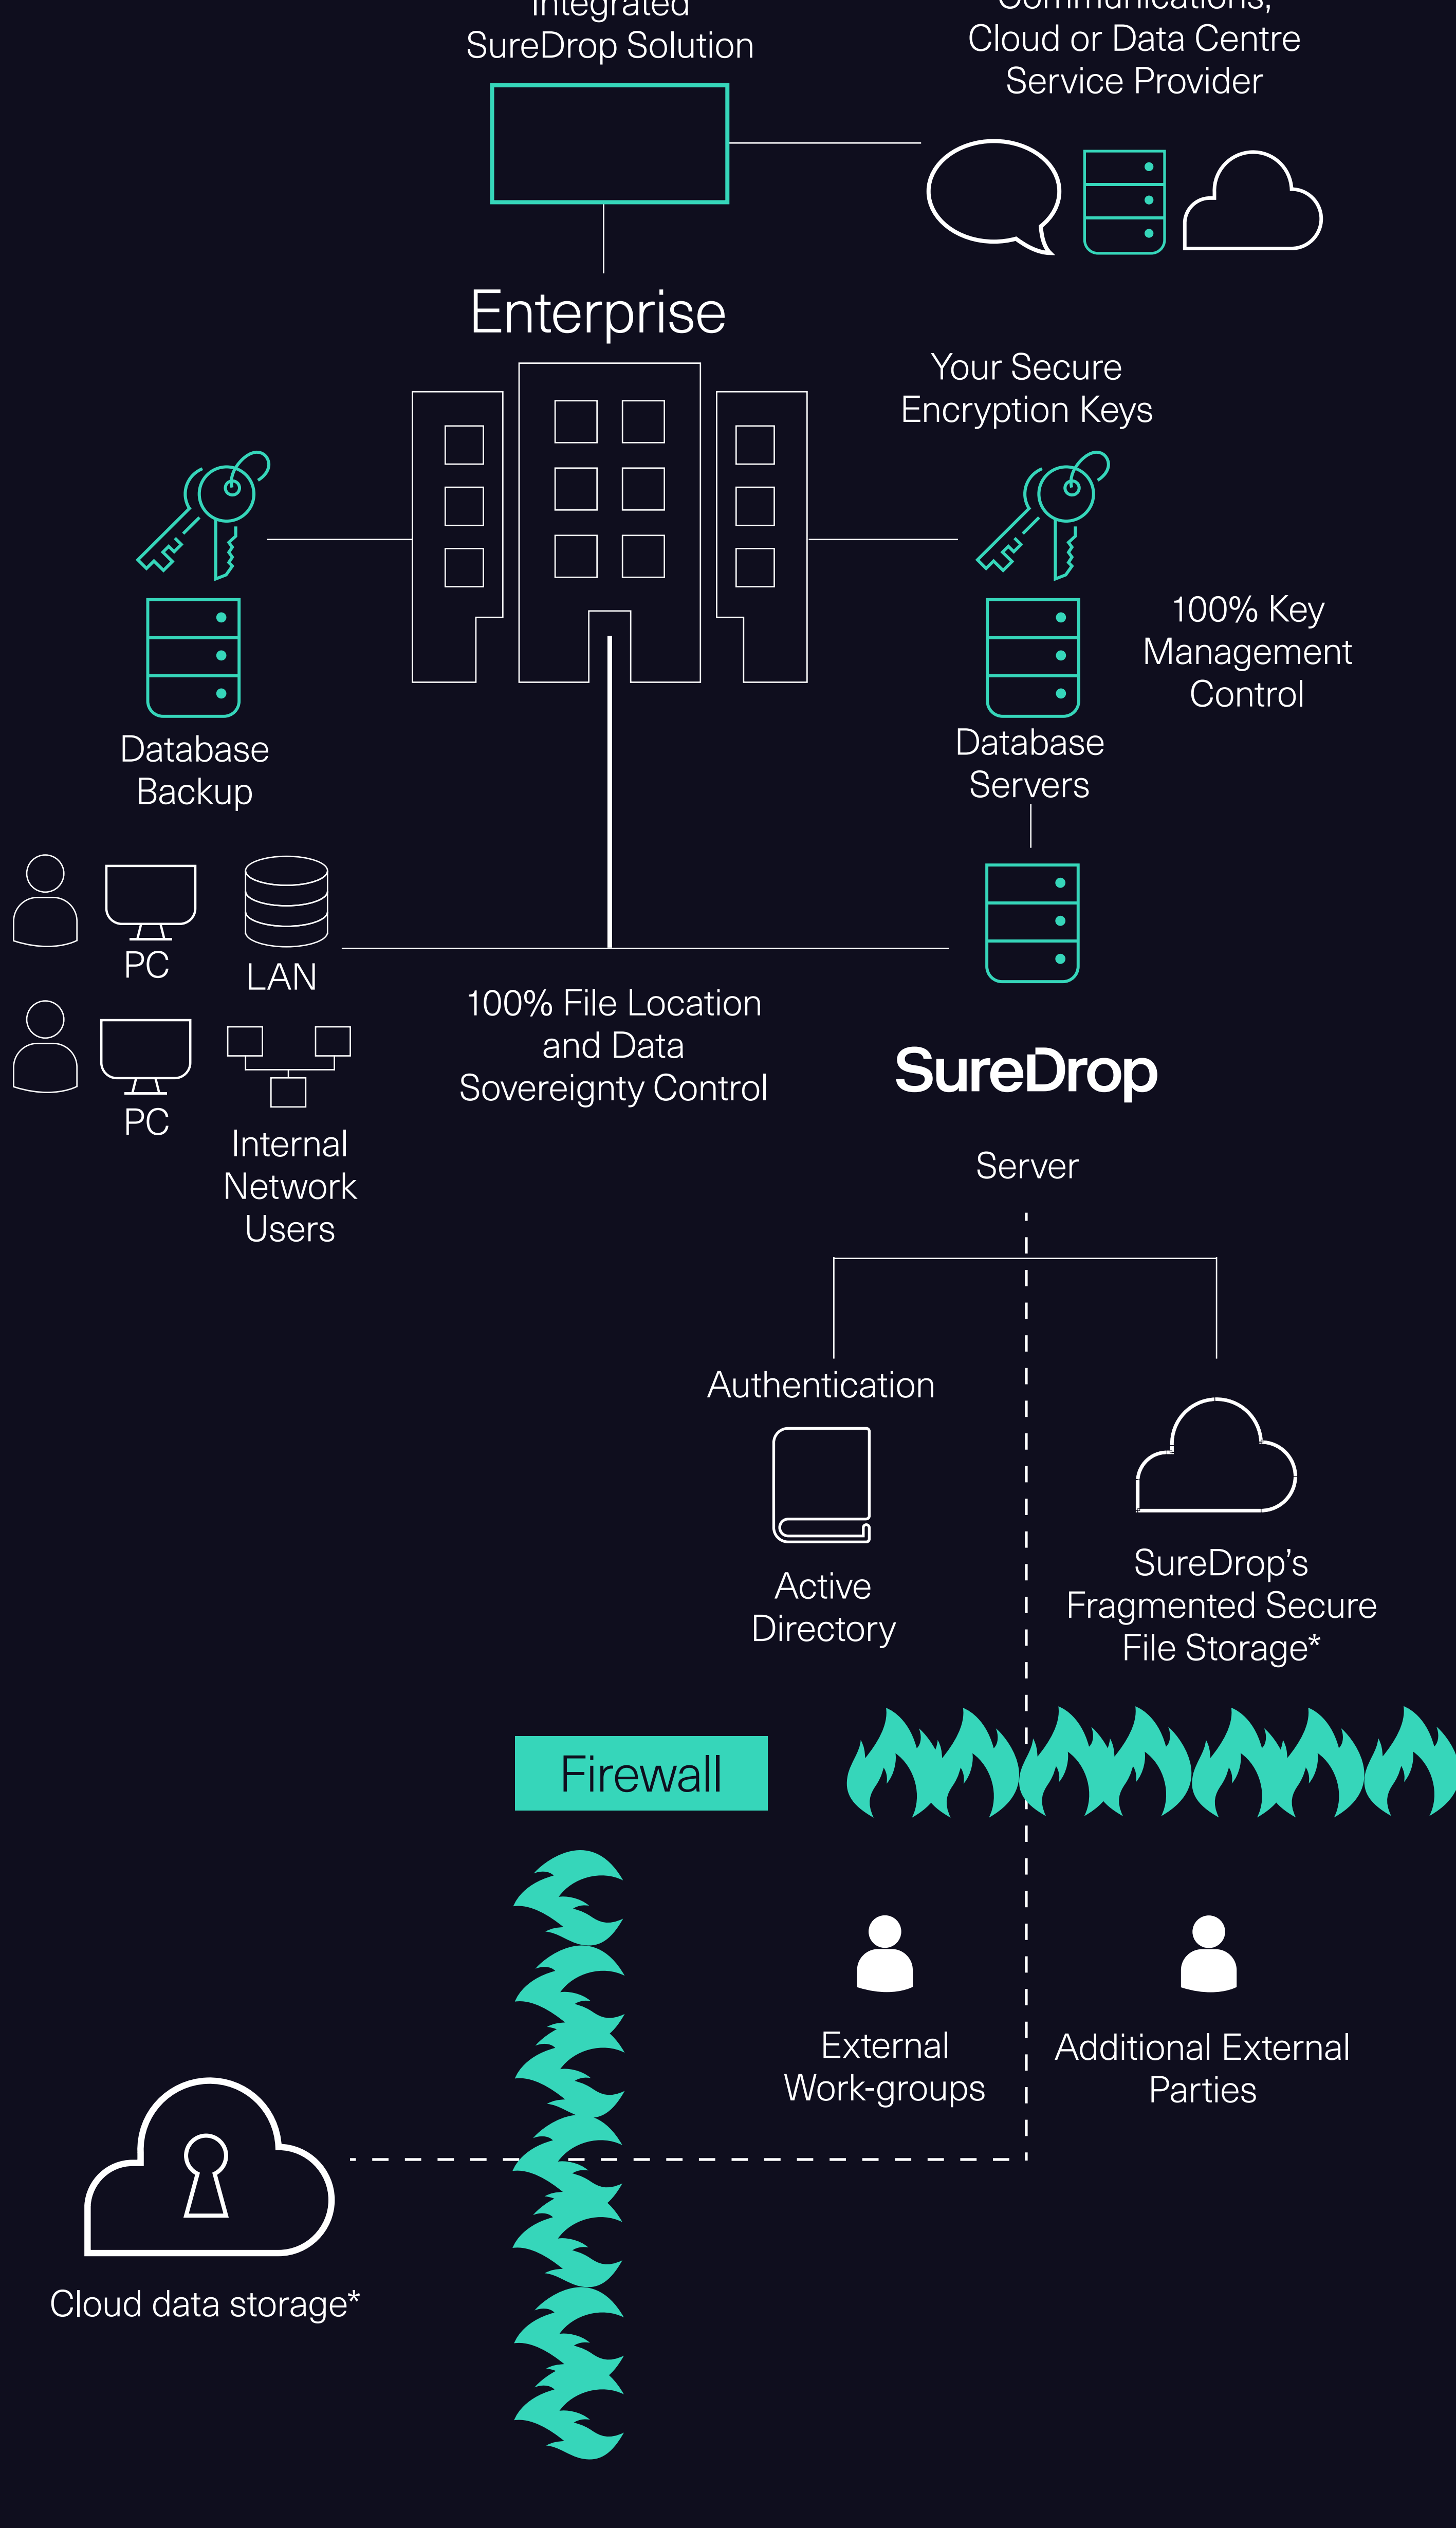

### Features and benefits

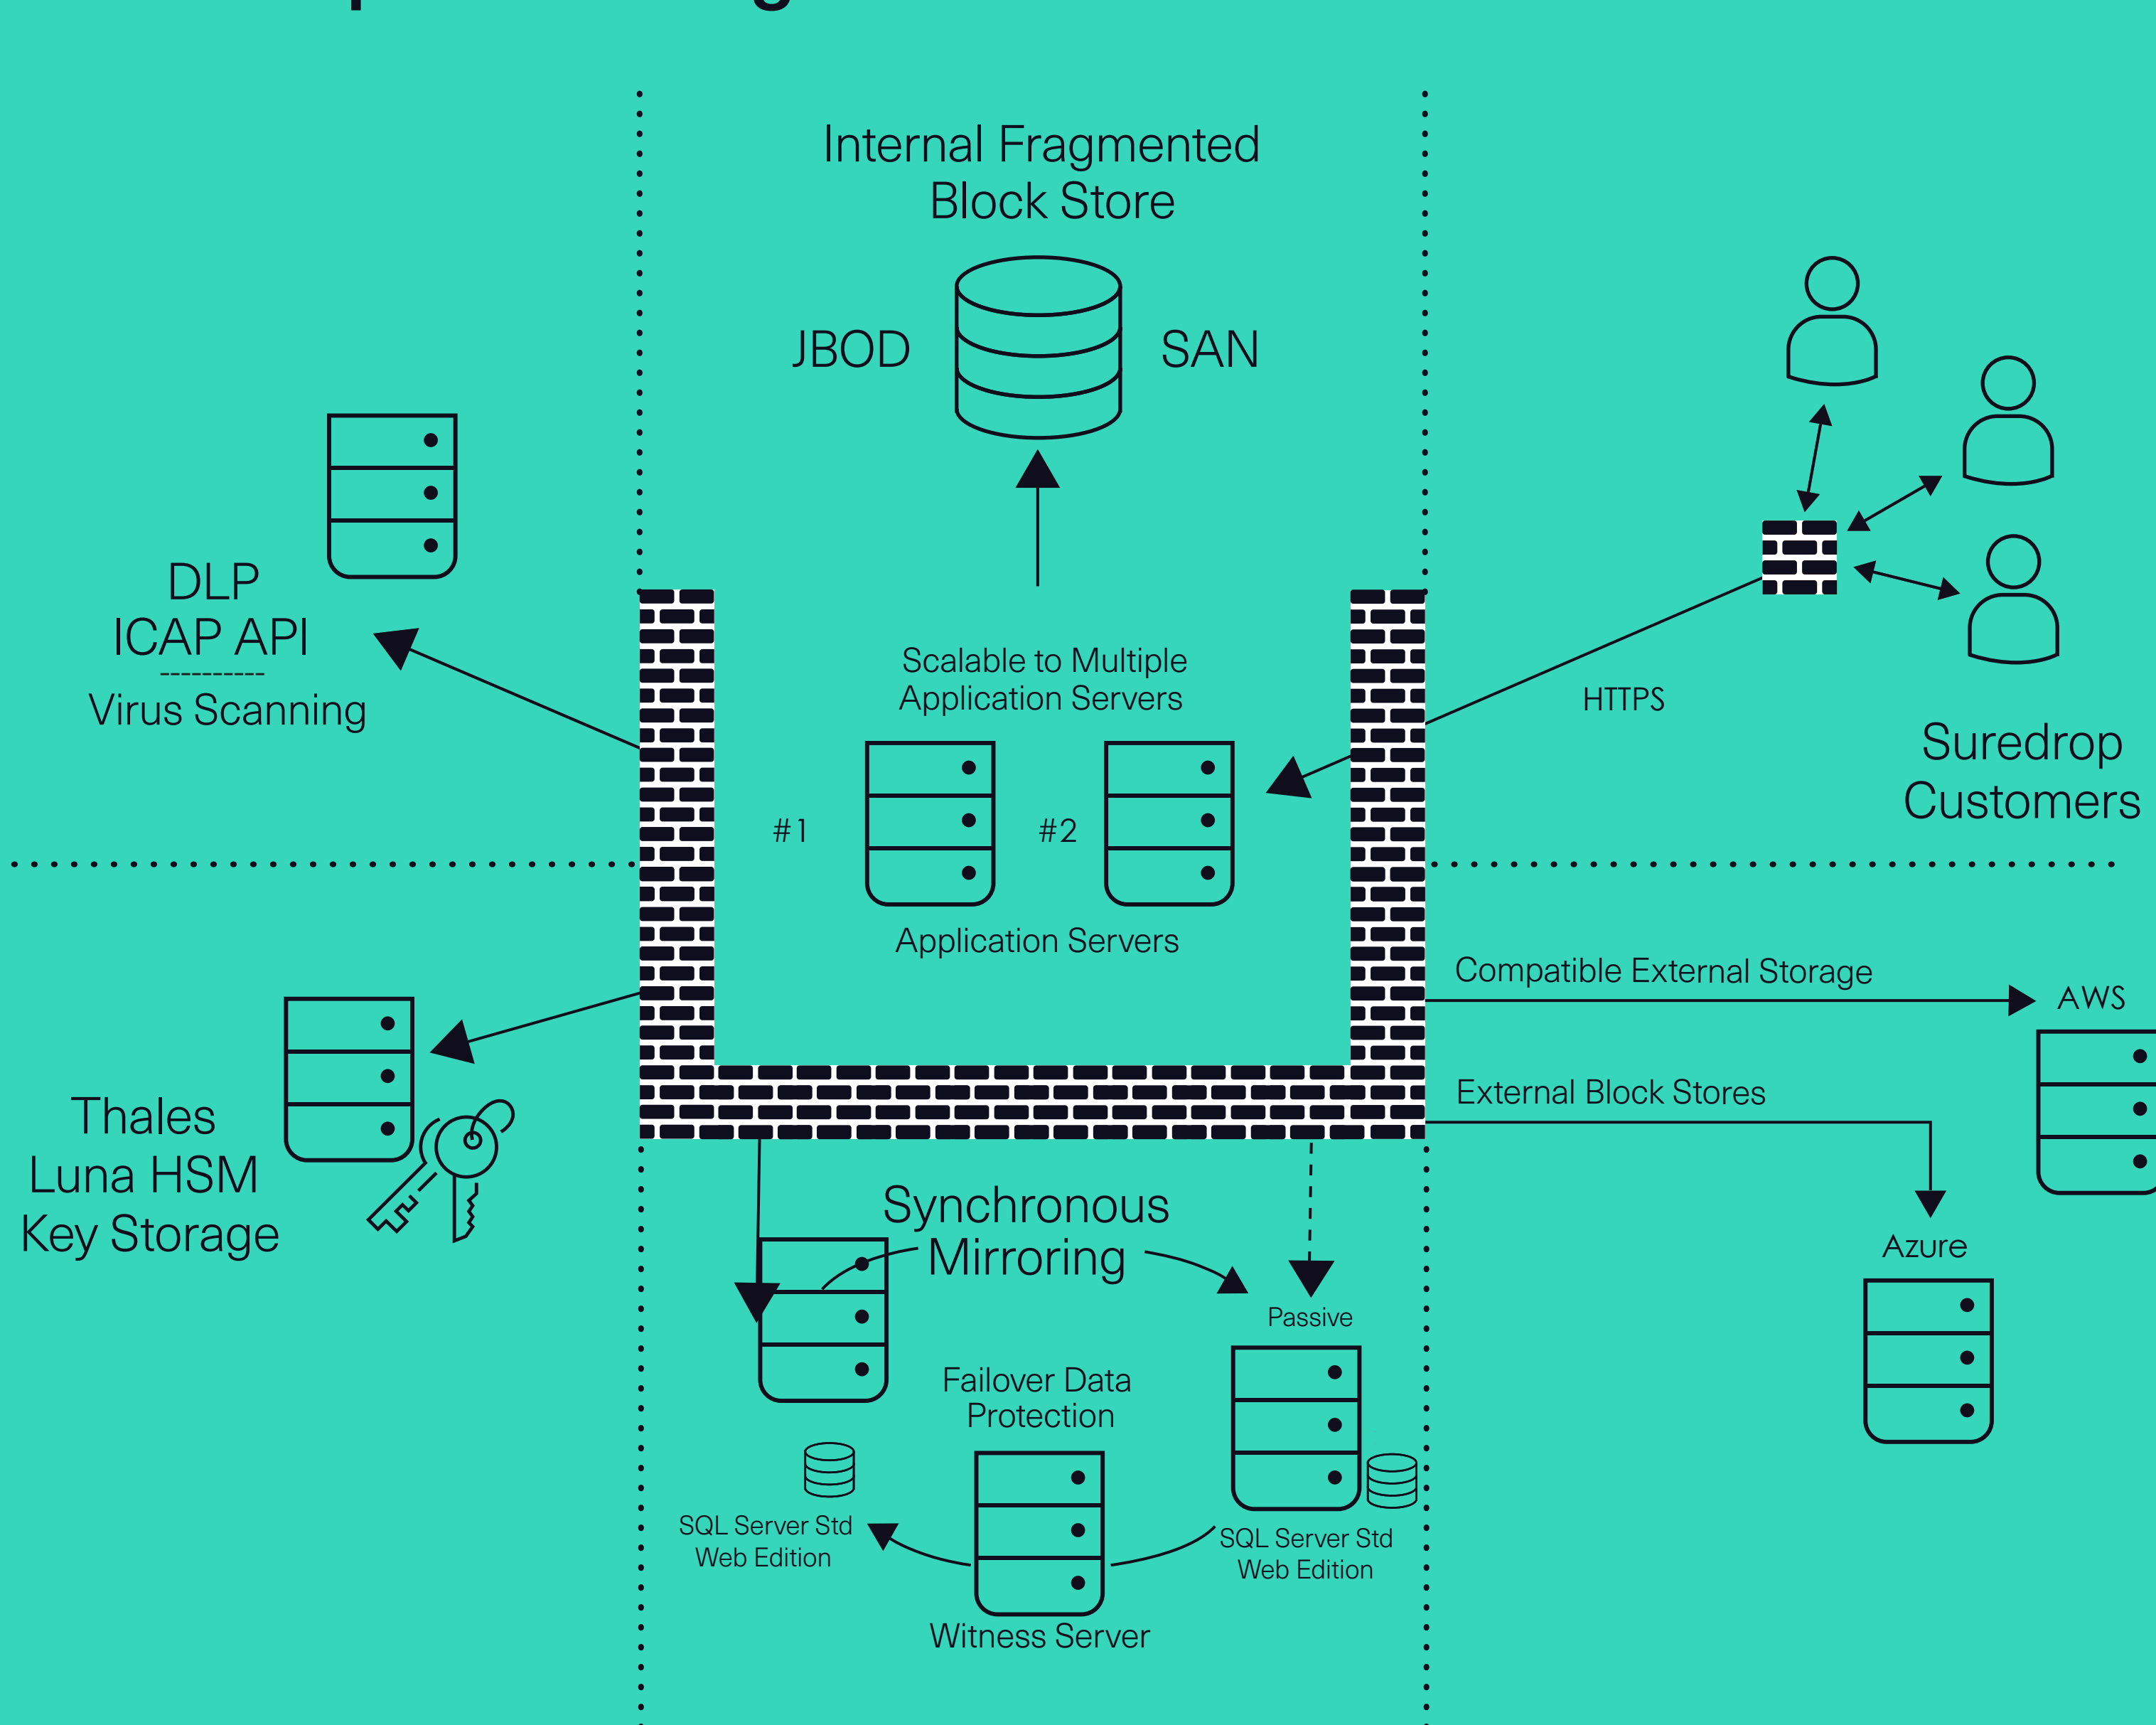

SureDrop combines an intuitive user experience with a full suite of security tools, letting you collaborate without worry.

### Suredrop for customer on-premises

### SureDrop for Managed Service Providers

SureDrop is brought to you by Senetas, is a leading developer of encryption security solutions; trusted to protect enterprise, government, defence, cloud and service provider data in over 40 countries. From certified high-assurance hardware, and virtualised encryption, to secure file sharing and collaboration with data sovereignty control, all are based on the same crypto-agile platform and deliver security without compromise.

**THALES**

Senetas encryption solutions are distributed and supported internationally (outside Australia and New Zealand) by Thales.

**AUCloud**

In Australia, SureDrop is hosted exclusively on accredited partner and sovereign cloud IaaS provider, AUCloud. With AUCloud you are guaranteed your data is secured in a protected environment, always.
